PARTNER MINISTRY NEEDS  
FEBRUARY 2017**

**PROFESSIONAL EXPERTISE**

**Anchor Point**

Research Assistant -- Need a person that can commit about 10 hours/month to research grant opportunities for us that might be a possible fit. Don't have to have direct experience in grant researching. We can train you on how to do this. This is a position that is flexible and can be done from your home.

General maintenance help with the League City building. We have several caulking jobs, bolt tightening, etc. that need to be done. Could be a professional, but a do-it-yourselfer will work also. Probably 4 hours worth of work. Ideally you would supply tools and caulk. This is kind of like a honey-do list.

Restaurant Owners/Caterers: We are looking for restaurants and caterers to donate and deliver a lunch for our clients once per week or month or quarter. We serve approximately 20 clients at each meal. For example, Rudy's Country Store donates lunch for our clients each Wednesday. Juanderful Burrito and Chick-fil-A donate lunch for our clients once per month. We are looking for more restaurants or caterers who are willing to commit to donating and delivering lunch for the clients on a regular basis.

Hotel/Motel Managers: We are looking for someone who has connections with hotel/motel managers or their towel/washcloth suppliers. Our clients are offered showers each week. We need bath towels and washcloths to offer our clients who may not have these items. The towels and washcloths do not have to be new.

Someone may have one laying around in an office somewhere not being used. Plantronics CS540 Wireless Headset or Jabra Pro 920 Mono Wireless Headset System are types that would work.

Getting a new car? Would you consider donating your used vehicle to LCM? Donated cars are "leased" for a small amount to students in need of reliable transportation to finish their degree or trade school. Donors qualify for a tax write-off. Even if you are unable to donate your vehicle, if you finance through AMOCO FCU, LCM qualifies for a 1% donation of your loan value, just ask your rep that you would like to participate in their Create Change program.

Meal Providers/Servers: The Mercy Tree feeds the homeless in Clear Lake every day. This is done by volunteer groups who provide and serve the meals. Individuals, church groups, groups, offices or families sign up to provide and serve the meal on a particular date. This person or group of people is responsible for providing a simple meal for approximately 20 individuals, including drinks, dessert and paper goods. Meals can be home cooked or store bought/take-out. This is a wonderful serving opportunity for an office or church group! This is a 2-hour commitment plus the time it takes to prepare the meal prior to arrival. Go to [www.themercytree.org](http://www.themercytree.org) and click on the "Volunteer" tab for more info.

Cleaning the 15-passenger van and trailer is a big job! We are always thankful for groups who are willing to wash the exterior of the van and trailer and clean/vacuum the inside of the van. This is a great project for a scout troop, family or small youth group.
